

Apple Tree Pruning Workshop

March 3, 2018
9:30 am – 1:00 pm

Sizemore Farm,
2003 Triplett Ridge Road, Clay, WV

SPEAKERS:

Dr. Mirjana Bulatovic-Danilovich, *WVU Extension
Specialist & Associate Professor*

Bruce Murphy, *WVDA Agricultural Special Projects
Coordinator*

Join us for this workshop at Sizemore's Farm for information and hands on experience – how to prune your own apple trees or how to rejuvenate old orchards

PLEASE BRING: (if you have)

- Lopper
- Sharp by-pass hand pruners
- Pruning saw
- Wear gloves and dress for out-of-doors

Free public event, but please call or email to register as places are limited.

304 951.1678 or sizemorefarmwv@gmail.com

Welcome Boy and Girl Scouts, Master Gardeners, Veterans, Farmers, and anybody interested in learning how to care for apple trees.

LEARN	
When to prune	Purpose and importance of pruning
Kind of cuts	Various tools
Tool care	
Then into the orchard for hands-on instruction and practice.
